

# What is the Average Age of the Williams College Faculty?

Daishiro Nishida '18

February 2, 2016

This paper investigates the average age of the Williams College faculty.

The average age of the Williams College faculty is 49.0 years.

```
## Mean = 49.02558
## Standard Deviation = 12.1558
```

Here is the top of the table.

name	department	year_of_BA	ages
Donald de B. Beaver	History	1958	78
Charles B. Dew	History	1958	78
Eugene J. Johnson III	Art	1959	77
Marek Demianski	Astronomy	1962	74
Anthony J. Nicastro	Romance Languages	1962	74

From this it can be seen that the oldest members of the faculty are Professor Donald de B. Beaver and Professor Charles B. Dew, both in the History Department. They received their BA in the year 1958 and thus their estimated age is 78 years.

Now here is the bottom of the table.

name	department	year_of_BA	ages
Kevin A. Escudero	Latina/o Studies	2009	27
Marcela Romero	Romance Languages	2009	27
Scott D. Honecker	Physical Education	2010	26
Qing Wang	Statistics	2010	26
Sarah A. Mirseydi	Art	2011	25

The youngest member of the faculty is Professor Sarah A. Mirseydi in the Art Department, who received her BA in the year 2011 and is estimated to be 25 years old.

Figure 1: Histogram

Here is a histogram.  
Now age distributions in each department.  
Finally scatter plot with last degree.
